Newsletter Notes:

Greetings and welcome to October... As we say goodbye to September, we look back on what was another busy month for our division. From all accounts the 22nd Annual ICN Golf Tournament was a success both in orchestration as well as financially. Once the board meets on October 1st, we will be able to give you a more concrete idea of how successful the event truly was. Regardless, it appears that our division and Irish Charities will have a good and productive talk about donating more to our various local charities as well as talk more about expanding our reach nationally. (It is of this brother's opinion that we are truly one of the more active and cohesive groups of Hibernians in existence. The national board is taking notice of our efforts as the convention draws closer.)

Some other good news on the convention front, Mike McMorrow helped steer an effort to create a vibrant and good-looking division flag that will be present throughout the convention. Excellent work Mike!

Also, State President Mike Addy, who has been running point on making the convention successful, will have Convention merch with the designed logo available for viewing during the general meeting on October 8th.

We look forward to seeing his great work in making the convention the success it truly will be.

As for events to look forward to in October, the biggest one will be the continuation of AOH After Office Hours, which will take place at Finnegan's Pub and Grill on October 24th. We have been looking to get them onboard with us and could use a group effort to make that possible.

Thanks for all you do, and we look forward to meeting and being with all of you in October.

Slainte!
