Newsletter Notes:

October while not having a great deal of publicly visible activity for our division still saw a strong month of activity. We confirmed that the Golf Tournament held on September 6th did in fact turn a profit which will allow Irish Charities to make some generous donations to our various charities right before the holidays.

Financially our division is in really strong shape and we have just begun to fundraise for the 2026 Parade. So overall things are very blessed for the division overall. As we say good by to October and welcome November things will be extra busy for all of us personally so please tune into the websites calendar as well the text messages as they will be the best barometer of where to go and what to do.

We wish all of you a blessed Thanksgiving and look forward to the Holiday season and all of the fun and memorable events we have together as an organization.
